- Do not handle the battery charger, the power cable or socket with wet hands.
- Do not overload or modify the power cable, this could cause electric discharges or fire.
- Unplug the power cable prior to any cleaning or maintaining of your phone.
- Hold steady the battery charger when unplugging, otherwise the power cable could break and cause electric discharges or fire.

CLEANING AND MAINTAINING

- Mobile phone, battery and battery charger are not impermeable, thus they should not be used in places with high humidity like bathrooms. Make sure the phone does not become wet under rain.
- Use a soft cloth to clean phone, battery and battery charger.
- Do not use alcohol, diluents or benzine to clean the phone.

GENERAL TIPS

For the phone:
- do not use your mobile phone next to other phones, television, radio and electronic devices in offices

For the battery:
- store the battery in places not exposed to blazing sunlight, in fresh and windy places.
- battery has a limited lifespan; after frequent charges the charging time shortens. If the battery does not char-ge after several attempts, this means that it should be replaced

with a new, specific and approved battery.
- please dispose of the exhausted batteries obeying the local laws, separately from the daily waste.

For the battery charger:
- Do not charge in the following places: under blazing sunlight, in places with temperature inferior to 5° or superior to 40°; in wet, dusty places and with vibrations which may cause bad working; near to electronic devices as TV and radios (this may damage quality of sound and images).

MANUFACTURER'S LIMITED WARRANTY

This warranty does not limit the rights granted to consumers by specific national rules on consumer goods. The period of time during which this warranty is valid is limited to 24 months starting from the first date of purchase of the product. If it is used for professional purposes, the period is reduced to 12 months. During the warranty period, the national distributor Easyteck indicated at the bottom of this certificate, will, at its own expense and within a reasonable time, remove any interferences that may be encountered, and caused by manufacturing defects. Except as required by applicable law, the defects found by assistance personnel will be resolved by repair or, at the discretion Easyteck, through the replacement of the Product.

This limited warranty is only valid in the European country for which the product is intended and is the sole responsibility of the national distributor of reference for that country and which is identified in the bottom of the certificate. Some limitations in assistance services covered by this warranty may arise from the presence of specific components for a country.

Warranty referred to accessories and spare parts contained in the package

The package for the product covered by this warranty may contain accessories or spare parts that have a different warranty period since they are consumables, the warranty periods are summarized as follows:

- 24 months for cell phones

- 12 months for non-consumable accessories
- 6 months for batteries, headsets, memory cards or other.

The following are not covered by the warranty:
-The manuals and/or packaging
-User contents, configurations downloaded into the product or third party software
-Costs related to shipping the product to and from an authorized service center
-Deterioration caused by normal wear and tear including batteries
-Breakage due to accidental causes or inexperience and all damages caused by any external agent.
-Damage caused by improper use as described in the manual supplied with the product.
-All failures caused by use of non-original accessories, by viruses, or by connections to computers and networks.
-All defects caused by exposure to moisture and/or steam, from use under extreme thermal or environmental conditions or in the presence of corrosion, oxidation, food, liquid or chemical spills.

Limits of Liability:
The SIM card that is required to use the phone is provided by the phone operator and is therefore excluded from the warranty.
-This warranty is the protection given to the consumer by Easyteck through the reference dealer and is not intended to limit guarantees to the consumer which the retailer must ensure in accordance with the laws of the different countries.

-This warranty will be honored only and exclusively at authorized service centers or at retailers that are responsible for selling Easyteck brand products.
-The terms of the Guarantee shall not be extended under any circumstances and will be effective only from the date the product is first sold to the final consumer, as certified by a valid receipt.
-The faulty parts replaced during repairs under warranty are the sole property of Easyteck and cannot be demanded by the consumer in any way.
-To the extent permitted by applicable law and in the absence of fraud, no liability is attributable to Easyteck for damages due to loss of user data caused by any defect covered by the warranty.
-The consumer, to be able to obtain the repair, must always deliver the product to the authorized service center at his own expense, devoid of any lock or security code that limits or prevents use.
-Loss of profit, losses caused by non-use of the product or loss of revenues for any direct, indirect, special or consequential damages are also excluded from the liability.
-The responsibility of Easyteck is always limited to the purchase value of the product and the consumer is always responsible for keeping a copy of the personal data and software stored in the phone's memory.
-For faults which, for the reasons listed above, are not attributable to the terms of this warranty the consumer who does not want to have the repair carried out, will be required to pay the corresponding amount requested by the service center. Easyteck shall in no way be held responsible for this request because it is not under warranty.

CAUTION: The warranty is not valid if any attempts have been made to open or tamper with the product, including remove and/or obliterate labels and/or the IMEI code of the product.

CORRECT DISPOSAL OF THE PRODUCT
INFORMATION FOR USERS

pursuant to Article 13 of the Legislative Decree of 25 July 2005, No. 151 "Implementation of Directives 2002/95/EC, Directive 2002/96/EC and 2003/108/EC on restricting the use of hazardous substances in electrical and electronic equipment and the disposal of waste"

The symbol of the crossed-out dustbin shown on the equipment or on the packaging indicates that the product, at the end of its useful life, must be collected separately from other waste. The recycling of this equipment at the end of life is organized and managed by the manufacturer. The user who wishes to dispose of this equipment should contact the manufacturer and follow the system that it has adopted to allow for the separate collection of at end of life. Appropriate separate collection in order to send old equipment for compatible recycling, treatment and disposal helps to prevent potential negative effects on the environment and on health and promotes the reuse and/or recycling of the materials of which the equipment is composed.
Illegal disposal of the product by the owner will result in the application of administrative penalties provided by law.

CORRECT DISPOSAL OF PRODUCT BATTERY

(Applicable in THE European Union and other European countries with separate battery collection systems)

The marking on the battery or on documentation or packaging indicates that the battery in this product should not be disposed of with other household waste at the end of the life cycle.

Where marked, the chemical symbols Hg, Cd or Pb indicate that the battery contains mercury, cadmium or lead in quantities above the levels referred to in the EU Directive 2006/66.

If the battery is not properly disposed of, these substances can cause harm to human health or the environment.

Declaration of conformity

We hereby declare that the product M300 has been tested by PHOENIX TESTLAB and has passed the standards required by EMC 1999/5/EC for the following specification:

EN 60950-1:2006+A11:2009+A1:2010+A12:2011, EN 60950-1:2006+A11:2009+A1:2010+A12:2011, EN 62479:2010, EN 62209-1:2006, EN 62209-2:2010, EN 50360:2001+A1:2012, EN 50566:2013, EN 301 489-1 V1.9.2, EN 301 489-7 V1.3.1, EN 301 489-17 V2.2.1, EN 301 489-24 V1.5.1, EN 301 908-1 V6.2.1, EN 301 908-2 V6.2.1, EN 301 511 V9.0.2, EN 300 328 V1.8.1
